

# **Welcome Back Weekend**

**Saturday, May 1, 2010  
Shades State Park**

**7:30pm Leave No Trace While Fishing** – Join special guest Bill Houk for a new spin on how to enjoy nature while leaving only footprints behind. See how to use a bear bag and enjoy Bill's casting prowess during this hands-on, action packed program at the Shades amphitheater.

**9pm Night Hike & Owl Prowl** – Meet at the Dell Shelter for a program and hike into the night. Learn how to rely on your senses to navigate in the dark, and also how to talk to owls (you'll have chances to try this while you hike)! Bring a flashlight if you like, although everyone must learn and follow *night hike flashlight etiquette*. 1-hour program and easy hike.

**For additional programs throughout the weekend, visit the program link for Turkey Run State Park, only a 15-minute drive from Shades. Use your Shades entrance or camping receipt for free gate admission.**
